Dear Head of Art,

The Rotary Club of Ashby de la Zouch Castle would like to invite your pupils to participate in our Young Photographer competition, which this year has the theme of "Friendship",

This is a competition that is open to all abilities – the only boundary is that of imagination. With many children having access to, if not owning a mobile phone, this competition will hopefully appeal as we move into a digital age.

I enclose an entry form, and parental consent form, an individual copy of which should be attached to each entry. All we ask is that pupils return their entries to school and we will collect week commencing **1st March 2027**.

All entries will be judged independently, with the winners being forwarded to the District Competition. Your school will, of course, be informed if this occurs.

All entrants will be awarded a certificate, which we would like to present, if possible, during a school assembly.

Yours sincerely

Jayne

The Rotary GB&I Privacy Notice is available on our website, <https://www.rotarygbi.org/privacy-policy/>, and explains how we collect, process and share personal information. This Privacy Notice for the Rotary Youth Competitions & Awards is supplementary to the general Rotary GB&I Privacy Notice and explains in more detail how you can expect your personal information to be specifically used in relation to the Rotary Youth Competitions and Awards.

How we use your personal information for Rotary Youth Competitions & Awards

1. We are collecting your personal information (and that of the Entrant/Nominee if a minor, or not legally eligible, to give consent) for the organisation and administration of the Youth Competitions & Awards. Initially, this will be at a club or regional level, but should the nominee be identified as a winner, or in the case of the Rotary Young Citizen Awards, be endorsed by a Rotary club for submission to Rotary GB&I, the information will also be shared with relevant national organisers. Those individuals and organisations that have access to personal information are also bound by the Rotary GB&I Privacy Notice.
2. The first name and image of the entrant may be used for publicity purposes, e.g. the national final programme, the Awards Presentation Ceremony programme, press releases and Rotary GB&I websites, social media platforms and magazine. You may also be contacted by Rotary public image officers who will discuss with you any media opportunities, e.g. interviews and videos, at any stage of the competition or part of the awards process. Where the nominee is a minor, or not legally eligible to give consent, only the parent/guardian will be contacted.

Providing your personal information to others for Rotary Youth Competitions & Awards

3. Your personal information will only be shared with others that require it for their role/the services they provide for the organisation and administration of the Rotary Youth Competitions & Awards events.
4. Depending on the Rotary Youth Competition/Award, it may be necessary to share information with third parties such as providers of venue hire and catering services. Under such circumstances only the minimum amount of information for the third-party service will be provided, e.g. for caterers, only the name and allergy/special dietary requirement will be disclosed, no other information. Third parties, including providers of venue hire and catering services, are subject to the same legislation and privacy guidelines.

Retaining and deleting your personal information

5. All Rotary clubs and districts are expected to store personal information securely. Details of which are available from your local club and district. Personal data will only be shared with those who have a legitimate reason to have access to it, in relation to the organisation and administration of the competitions/awards
6. For all Rotary Youth Competitions & Awards, personal information will be kept for three months after the date of the national final or event for that specific competition/award. After this date, the information will be securely destroyed (either by shredding, incineration or deletion from electronic devices) at club, district and national level. This timeframe is necessary to allow for any disputes to be settled before personal information is destroyed. Please note: shared images and information for press releases may still exist within news outlets. We do not have control over those external organisations.

By signing the front of this form, you are acknowledging that you have read and agree to the Privacy Notices in respect of the use of personal information for yourself (or on behalf of the child or person over 18 who is not legally eligible to give their own consent, where applicable).

This form must be passed on to the organisers of the next stage of the competition for winning entries.
